made," he said.

Of the teachers recommended for reappointment, all but Charles Stockbridge, a fourth grade teacher at the Deer Hill School, received approval from the Committee.

Stockbridge received a 3-3 or negative vote for reappointment.

Guidance Director Jack Leary urged the Committee to reconsider the vote on Stockbridge. "For the Superintendent to make this recommendation he must feel Mr. Stockbridge is an excellent teacher. Mr. Ekberg (the principal of the Deer Hill School) must feel this way, too, to pass along the recommendation to the Superintendent."

Leary added that he didn't want a hidden rationale that was not a part of the official evaluation process to play a part in the consideration of Stockbridge's appointment. Committee member Kornet agreed, emphasizing an immediate reconsideration of the appointment, to alleviate the anxiety that would be caused Stockbridge in the ensuing

weeks if reconsideration were postponed.

There was considerable debate over the legality of further discussing Stockbridge's appointment. It was finally voted to reconsider the vote at the next May 14 meeting, which would allow Stockbridge ample notification of the meeting, and to attend, with counsel if he wished.

Teachers re-appointed were: Joseph Osgood School — Jane Corey and Doreen Flynn; Deer Hill School —

Kathleen Fox, Theresa Lynch and Elizabeth Cisneros; Jr./Sr. High School — Joseph Bouchard, Curt Reeve, Gregory Jones, Alton Flynn, Brian Marks and Anthony Hyde.

Department chairman receiving Committee approval were: Joseph Becker, Deer Hill Science Department; Sam Erbe, High School Science Department; Paul Narkowicz, Foreign Languages; Marilyn Watson, Director of Physical Education.
